WHO CAN BECOME A SPONSOR?

It is essential that the institutions that will become the Main Sponsor of our KOMATEK 2026 Exhibition are not one of the principal exhibitors of the fair.

Sponsors will be selected among companies operating in the construction machinery sector and/or institutions that produce goods or services for the visitors of the exhibition, or institutions that provide goods or services appealing to broad segments of society.

Thus, equal competitive conditions for exhibitors will be kept.

For our KOMATEK 2026 Exhibition, one Main Sponsor, up to 4 Industry Sponsors, and several Special Sponsorships (badge, lanyard, opening ceremony, demo area, technical sessions, etc.) are planned.

The opportunities to be provided to sponsors are explained on the side.

MAIN SPONSOR

KOMATEK 2026 Main Sponsorship is presented in two contents in terms of scope:

TITLE MAIN SPONSORSHIP

- The name or logo of the Main Sponsor will be used throughout the entire promotional program together with the statement "In Main Sponsorship of KOMATEK 2026" or in another form requested by the sponsor and accepted by SADA. It will be published by appearing before the name KOMATEK 2026 in every advertisement where the name is used.
- This combined statement will be used in all written, verbal and moving promotional tools.
- On the website of CECE, an international association, the logo used in the bronze sponsorship purchased also by KOMATEK will be replaced with the logo of the Main Sponsor as mutually agreed. <https://www.cece.eu/home> Exhibition Partners
- No other sub-sponsorship will be taken in the business field of the company undertaking the Main Sponsorship.

The Title Main Sponsorship fee is 50,000 Euros.

ADDITIONAL PROMOTION

- In this package, in addition to the opportunity for the Main Sponsor to appear together with the name of the exhibition on all types of promotional materials of the exhibition, the following promotional opportunities will also be provided:

- In the Demo Area of the Exhibition, the visual of the Main Sponsor will be displayed on the digital screen and fixed totems.

- SADA has sponsored many organizations of İSDER, İMDER and İŞİM Cluster to increase the number of qualified visitors to KOMATEK 2026 Exhibition; these will be carried out at planned times until the fair. During this period, promotional meetings will also be held for contractors in many cities of our country. At all these organizations, the logo, flags, and promotional video of the Main Sponsor will be displayed.

The sponsorship fee is 50,000 Euros.

If both sponsorships mentioned above are preferred together, the total sponsorship fee is 80,000 Euros.

KOMATEK 2026 Exhibition, up to a maximum of 4, will accept "Industry Sponsorship."
